MEMBERS**

**THURSDAY,
OCTOBER 31, 2007**

BREASTFEEDING WORKSHOP OBJECTIVES

- Establish a consistent and coordinated message for breastfeeding education throughout the health care community.
- Develop and establish a breastfeeding network for continuity of care.
- Identify ways to avoid and relieve common breastfeeding problems.
- Recognize and resolve latch-on and positioning difficulties with breastfeeding.
- Identify the multiple health & social benefits for mothers, babies and families to breastfeed.
- Identify myths and barriers surrounding breastfeeding.

Certificate of Attendance will be available for this conference.
